

## After our short business meeting we were honored to have The Rev. Dr. James K., Law Civil Air Patrol (CAP)

Talk about his experiences with the Civil Air Patrol and how we all can help.

Dr. Law serves in many capacities with the Civil Air Patrol: mission chaplain specializes in disaster support, a member of SAR (Search and Rescue) ground team, a member of aircrew in air SAR., airborne photographer and unit safety officer.

After Dr. Law's presentation it was time for Dessert and a Happy Thanksgiving to all!
