What is USPS? (For additional information, visit our web page at www.usps.org or call toll free: 888.367.8777)

Organized in 1914, USPS is a non profit, educational organization dedicated to making boating safer and more enjoyable by teaching classes in seamanship, navigation and related subjects. Our members are boating families who contribute to their communities by promoting safe boating through education. We enjoy participating with our fellow members on the water and in the classroom. USPS has some 45,000 members organized into 450 squadrons across the country and in some US territories. USPS is America's largest non-profit boating organization and has been honored by three US presidents for its civic contributions.

USPS Membership Benefits:

- ▶ Save Money, up to 23% on your Boat Insurance (20% based on courses completed and another 3% for a Vessel Safety Check)
- ▶ Enjoy Special Organizational Discounts on valuable services including Maptech, Nobeltec, Dell Computer discounts, Boat/US Membership, long-term health insurance, and more. Go to http://www.usps.org/national/admin_dept/membenefits.htm for details.
- ▶ Members Helping Members through a Port Captains Program that includes cruising/travel tips based on local information
- ▶ USPS University offerings and Boat Operator Certification recognized and endorsed as the standard of advanced education for the recreational boater.
- ▶ Opportunities to have FUN that include land based as well as on-the-water recreational and civic service activities.
- ▶ Social events, potluck dinners, picnics, parties and interesting meetings with special guest speakers on topics of interest to boaters.

Education Requirement for Membership

Although USPS currently has no education requirement for membership, squadrons may elect to require the passing of a NASBLA “approved” boating course as a requirement for membership. If you have completed any of the following courses please insert the course name and date of completion on this application form in the space provided as some insurance discounts as well as Boat Operator Certification requirements may also require completion of a NASBLA approved course.

USPS or NASBLA approved courses include: USCG Captain License, graduate degree from the US Naval Academy, USCG Academy or US Merchant Marine Academy and any boating course carrying NASBLA certification.
